Skills

HTML, CSS, JavaScript, React, Tailwind CSS, Bootstrap, Sass, Git, GitHub, Figma, Canva, Microsoft Excel, Google Sheets, Microsoft Word, Google Docs, Google Forms

Certification

- JavaScript Algorithms and Data Structures Certification from freeCodeCamp — September 2023

Course Projects

HanapLingkod — Capstone Project

- E-commerce mobile application built with React Native, Node.js, and MongoDB; the admin side is web-based and created with React
- In charge of designing and making the high-fidelity prototype of the application and website
- Helped the capstone group's main front-end developer in converting the designs into actual code

Downtown Books — Project in Event-Driven Programming

- Inventory management system built with Structured Query Language (SQL) and Visual Basic .NET
- In charge of creating and implementing the entire design of the desktop application directly on VB.NET and Visual Studio

Experience

BU Intellectual Property Management Division (IPMD)

On-the-Job Trainee

- Updated regularly the records of IPMD's online database with Google Sheets containing over 100 IP applications (e.g., trademarks, copyrights, patents, utility models, and industrial designs) authored largely by the faculty and students of Bicol University
- Encoded 190 filled-out feedback forms from one of IPMD's trainings/seminars and further made a client satisfaction and feedback analysis for documentation purposes
- Designed 2 tarpaulins and 11 placards using Canva for IPMD's IP Awareness Campaign in the different colleges and campuses of Bicol University

February 2023 — April 2023

SurPath Hub

Community Moderator,
Social Media Manager

- Ensured that the SurPath Hub's Discord community was a safe and healthy space for all its members
- Handled several social media accounts (e.g., Facebook, Twitter, and Instagram) of SurPath Hub and posted various content to promote the community's activities and uphold its online presence

June 2021 — February 2022

Education

Bicol University (BU)

Bachelor of Science in
Information Technology
Magna Cum Laude (GWA: 1.3740)
